ALDERMEN'S ROOM

*Dear George*

Thank you very much indeed for your congratulations on my impending elevation to Deputy Lord Mayor.

No one knows better than you the close collaboration that has existed between Leo Port and myself and yourself in relation to the Strategic Plan and other planning concepts which are beginning to be felt in the City and I am looking forward to this continued cooperation in the future.

Thank you once again.

Kind regards,

Sincerely yours,

*Andrew.*
