Dear Mr. Clarke,

I am pleased to be able to send you a copy of the book LEISURE - A New Perspective which includes the papers presented at the national seminar on leisure which this Department held in Canberra last year.

I would like to express my appreciation of the contribution you made to the seminar with your paper "Old and New Towns and Cities as Leisure Experiences".

The publication of the book marks a further milestone in meeting the challenge posed by leisure in Australian society.

Yours sincerely,

(L. F. BOTT)
Secretary.
