Mr Derek Cartwright
Director
Australian Institute of Urban Studies
PO Box 809
CANBERRA CITY ACT 2601

Dear Derek :

Thank you for your letter of congratulations on the award of the Sidney Luker Memorial Medal.

One inevitably becomes more relaxed and tolerant, particularly following such recognition, as you so rightly say.

Unfortunately, I'm still faced with the problems of making a living.

I can only hope that I won't now be written off by potential clients and sponsors as being a sweet old man who is no longer capable of original or creative leadership!

Sincerely

George Clarke
