

May I  
Add my word of congratulation 1  
to George Clarke  
on his occasion of the Award of the  
10<sup>th</sup> Sydney Luker Memorial  
Medal.

~~for outstanding contribution to planning  
in Australia~~

There are many different ~~reasons~~ and  
good reasons for his ~~award~~ ~~this year~~  
years award being made to  
Georg. Clarke:

~~I would like to mention just~~

~~that~~ ~~that the way~~ ~~he~~

→ He prepared himself for his  
professional work ~~of high~~

~~stand~~ by ~~the~~ undergraduate and  
post graduate training at the University of Sydney  
and London/and at the ~~Mr~~ Inst. Tech

by which he was awarded his Master's Degree  
in Cit Planning. ~~Also~~ ~~also~~ by his wide

experience ~~knowledge~~ of  
travels and first hand ~~knowledge~~ of  
planning activities & planning examples  
in Europe ~~America~~ from ~~from~~ Brazil  
to Singapore and from ~~the~~ English New Towns.  
to Isfahan ~~Shiraz~~

# Second (As you have heard)

By his many years of constructive work for the Royal Aust Planning Inst:

As Editor of the Journal  
As Member of Council and later as  
President of the Sydney Division.

[George Clarke & all those who undertake these arduous and ~~the~~ generally thankless tasks are ~~also~~ deserving of your ~~most~~ warm appreciation.

But the ~~greatest~~ most important <sup>of all</sup> is <sup>SURELY</sup> CONTRIBUTIONS to planning <sup>IN ACTION</sup>, practical plans, this is what it is all about. BEST REASON IN MY MIND is what the <sup>Inst's</sup> highest <sup>instilled</sup> for this - ~~the~~ <sup>Inst's</sup> highest

~~the~~ Award ~~of~~ being given to George Clarke is for ~~his~~ <sup>his</sup> successful <sup>of</sup> ~~active~~ <sup>active</sup> ~~most~~ <sup>most</sup> ~~practical~~ <sup>practical</sup> ~~plans~~ <sup>plans</sup> ~~in~~ <sup>in</sup> ~~Australia~~ <sup>Australia</sup> ~~an~~ <sup>an</sup> ~~Australia~~ <sup>Australia</sup> ~~wide~~ <sup>wide</sup> ~~practice~~ <sup>practice</sup> - IN ~~their~~ <sup>their</sup> ~~series~~ <sup>series</sup> ~~of~~ <sup>of</sup> ~~planning~~ <sup>planning</sup> ~~Reports~~ <sup>Reports</sup> ~~of~~ <sup>of</sup> ~~PRECOMMENDATIONS~~ <sup>PRECOMMENDATIONS</sup> ~~of~~ <sup>of</sup> ~~the~~ <sup>the</sup> ~~of~~ <sup>of</sup> ~~which~~ <sup>which</sup> ~~ones~~ <sup>ones</sup> ~~for~~ <sup>for</sup> ~~Sydney~~ <sup>Sydney</sup> ~~and~~ <sup>and</sup> ~~Adelaide~~ <sup>Adelaide</sup>

are merely the best known, —  
 reached new levels of excellence  
 in production, exposition, and  
~~prop~~ ~~recommendation~~  
 proposals, including recommendation  
 for administration ~~and~~ and  
 suggestions for ~~organizing~~ constructive  
 citizen participation, ~~and for the~~  
 as well as for those financial provisions  
 which are so often forgotten ~~at the~~  
~~at first but always necessary~~  
~~dominate the stage of~~ at the stage of  
 proposals — but which inevitably  
~~later~~ dominate the stage of  
 implementation.

Without in any way confusing him  
~~George~~ with an even greater man  
 George has been in his time Disciple,  
 & MASTER, AND FOR HIS  
 Missionary ~~and for his~~ SUCCESS IN THESE  
Planning  
 roles I congratulate him warmly  
 & congratulate the Institute on its new
