Dear Sir,

Martin Place - Stage 2 - Lighting and  
electrical system.

Enclosed is a copy of letter dated 5th August, 1976, from the Chairman of the Martin Place Sub-Committee.

I would be pleased if you would examine in detail the points raised, and prepare a report in time for the next Sub-Committee meeting on 16th September, 1976. Particular reference should be made to the views of the Sydney Committee and the Controller of Parks, as outlined in the Chairman's letter.

Yours faithfully,

  
J.W. LINDSAY  
City Engineer.
