Dear George:

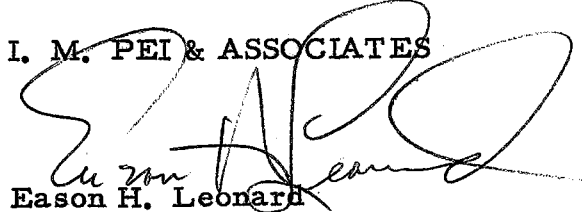

Many things have happened in our office since you left. We are in the process of negotiating a separation from Webb & Knapp, Inc. Because of our uncertainty of the volume of work during the next year, we are now cutting our staff. This naturally affects the manpower in our planning department as well.

Under the present circumstances I would not be able to assure you a position in our organization and I would assume we will not have a clear picture of our status until the latter part of this year. Sorry that the situation is not more encouraging but I would be hesitant to make any commitments to you for the near future.

Nice to hear from you. It does seem that there are many exciting things happening in Australia. I would hope that some of them could work to your advantage. Best regards.

Very truly yours,

I. M. PEI & ASSOCIATES

Eason H. Leonard
