G. J. Dusseldorp,  
Managing Director,  
Civil and Civic Contractors Pty Ltd,  
Caltex House,  
167 Kent Street,  
SYDNEY, N.S.W.

Dear Mr Dusseldorp:

The enclosed paper is a summary of  
an address which I delivered on several occasions during  
your recent absence overseas. The ideas and proposals  
it contains were given a very good reception by those  
who were exposed to them in this general way.

Yours sincerely,

George Clarke
