G. J. Dusseldorp, Esq.,  
Managing Director,  
Civil and Civic Contractors Pty Ltd,  
Caltex House,  
167 Kent Street,  
SYDNEY, N.S.W.

Dear Mr Dusseldorp:

I enclose a mimeographed copy of a paper I delivered last Friday night at a meeting sponsored by the Sydney Division of the Australian Planning Institute. The title of the paper is "Recent U.S. Experience in Urban Renewal and its relevance to Australian opportunities for comprehensive city-building".

I trust that you will find it of some interest or use to you in your thinking towards comprehensive city-building projects.

Yours faithfully,

George Clarke
